

Tims Dairy

... good food from the heart of the Chilterns

Retail Range Product Plus Points

Tims Dairy has been a family business making yogurt since 1949 and is still run by the four Timotheou brothers. Our dairy is in Chalfont St Peter, Buckinghamshire, where we produce a range of Greek style, wholemilk and low fat yogurts for retail which we launched in 2009.

We use fresh British milk and cream in support of UK farmers and combine this with natural fruit compotes to create live and bio-live yogurts, all with natural ingredients.

Our dedication to quality, great taste and consistency has won us many awards.
