

New Thick & Creamy Smooth Yogurts

We have lovingly developed our new range of live Thick & Creamy Smooth yogurts for the Health & Education Sector, reaching Public Health England's targets for lowering sugar intake. Made for great taste, these yogurts are smooth, lactose free, fresh and healthily balanced in a perfectly portioned pot size of 110g, they also have a clean ingredients declaration.

Available in three popular flavours; in each case of 12 there are 3 x Peach, 3 x Toffee, and 6 x Strawberry.

What's Not To Love!

- ✓ Made using fresh pasteurised British milk and cream in support of UK farmers
- ✓ Lactose free and made using live cultures
- ✓ Natural ingredients with no artificial colours, additives or preservatives for a clean declaration
- ✓ Conform to current school compliance requirements regarding sugar levels
- ✓ GMO free, gluten free and suitable for vegetarians
- ✓ Good source of protein and calcium.
- ✓ Made for great taste
- ✓ High guaranteed minimum life upon receipt
- ✓ Fully recyclable packaging
